Dear Sir/Madam

2010 Extension of time - performance as at 31 March 2011

Congratulations - I am very pleased to advise that by 31 March 2011, you had filed 100% of the 2010 income returns for your clients who have an extension of time.

Thank you for the effort and commitment you've shown over the past year in achieving this excellent result.

Please find enclosed your Certificate of Achievement.

I look forward to working with you over the coming year.

Yours faithfully

Ricky Davis
