We are a Trust with extensive farming, real estate and investment interests based in Northern Hawke's Bay.

Sholto was appointed Accountant to our organisation in February 2003.

His experience in farming and business in general has been of immense value to us and his advice has been a critical factor in enabling us achieve some ambitious growth objectives over the years.

Sholto has become an advisor, mentor and trusted friend to us and we highly recommend his services

Sincerely yours,

Luis McDonnell
